

<b>Table 1: Minimum wages for farm workers in the Republic of South Africa</b>					
1 March 2009 To 28 February 2010		1 March 2010 To 28 February 2011		1 March 2011 To 29 February 2012	
Hourly	6.31	6.74	7.04		
Weekly	284.23	303.84	317.51		
Monthly	1231.70	1316.69	1375.94		
<p>The CPI (excluding owners' equivalent rent) utilized to determine minimum wage increases is 3.5% as published by Statistic South Africa on 19 January 2011. The Sectoral Determination stipulates that the wage increase will be determined by utilizing the CPI + 1%. Therefore in terms of percentage increase, the new minimum wage as from 1 March 2011 will be 4.5% higher than the current minimum wage.</p>
