

In order to provide support to the development, sustainability, profitability and stability of organized agriculture in the Northern Cape, Agri Northern Cape has the following challenging position on offer for a dynamic, energetic, organized and self-driven individual

OPERATING OFFICER: ECONOMY, TRADE AND WATER ISSUES

Key responsibilities include * administration and communication relating to the functions of economy, trade and water issues, * liaison with a broad spectrum of organizations including public institutions such as local authorities, Eskom and Telkom, NGO's, agri businesses, the private sector and members through transfer of information and positions, * making of expert and administrative inputs to Agri Northern Cape, * attending meetings and compilation of agendas, minutes, memoranda and reports and * collection of information for the Agri Northern Cape website and maintaining social media platforms of Agri Northern Cape.

Requirements for appointment are a relevant tertiary qualification, preferably in economic/management sciences, enhanced by proven experience in liaison and bargaining as well as a passion for agriculture. The incumbent's professional profile should further include amongst others highly effective oral and written communication skills, above average bargaining and networking skills, fluency in Afrikaans and English, computer literacy in MS Office and a valid driver's licence.

The position is based in Kimberley and the incumbent will report to the General Manager of Agri Northern Cape. The position requires the incumbent to travel frequently.

On offer is a negotiable remuneration package.

Interested persons may apply by forwarding an application letter and a comprehensive CV with reference JANK before 12 November 2018 to:
